

Brian Jones

As one of the founder members of the charity, I have been proud to serve on its committee for over 25 years.

I am married to Karen, have one daughter, Rebecca, and have lived in Neston all my life. I worked within the motor trade for over 30 years before starting up my own gardening business in 2001. I am a church elder at Parkgtge and Neston United Reformed Church where I have been an active member all my life.

I enjoy watching sport, which includes Rugby, Golf and Cycling and am a social member of Neston Cricket Club. A keen cyclist, I ride with Birkenhead North End and often take my bike away on holidays, especially to Menorca, where I ride in a number of competitions. I enjoy travelling and have visited many parts of the World and have accompanied the children to Lapland on many occasions and hope to continue for many more trips to come.
